UCP Community,

Welcome to University of Cleveland Preparatory School (UCP), a learning community which values high expectations for both academics and behavior. UCP staff embraces students, families, and communities to build and develop well rounded individuals who are independent critical thinkers and intrinsically motivated to be life-long learners. We believe that all children can learn as we seek to make a difference in the lives of our students.

The teachers and staff at UCP are committed to providing a quality education for all students in a safe, secure, and nurturing learning environment. We are committed to ensuring that each child reaches his/her full potential. **This is a strict school.** If you believe in high expectations, this is the right place for you.

Currently, UCP has a student population of approximately 225 diverse students in grades K-8. In addition to core academic subjects, students have the benefit of weekly art, and physical education, classes. Special services available to students include: special education, literacy support, and counseling. School hours are 8:00 am – 3:30 pm Monday through Friday (early dismissals every other Friday beginning at 1:00 p.m. – new to this school year).

We encourage all parents/guardians to maintain regular communications with their child's teachers and be actively involved in the school community. Checking the school calendar, website, and our Facebook page for events and activities will help keep you informed.

If you should have any questions, please feel free to contact the office by calling (216) 361-9720. We are looking forward to meeting your child and helping foster a love of learning.

Sincerely,

Phillip Penn
Principal

MISSION: To prepare students for a college preparatory high school that will ensure success and graduation from a four year college.
